

# Registering for the ACT

Step 1 - You can search "register for ACT", type the address below in your browser or click the ACT website link beside the header on the KHCS webpage you used to get to this ACT instruction page. Once you have accessed the ACT site, click the "Online registration" link in the first line of the text under the large red heading "**How do I Sign up for the ACT?**". Registration online will probably require a credit card.

In registering, be sure to indicate that you want your scores sent to Killian Hill Christian School - the school code for this is 111829.

The screenshot shows a Mozilla Firefox browser window displaying the ACT Student registration page. The address bar shows the URL [www.actstudent.org/regist/](http://www.actstudent.org/regist/). The page features the ACT logo and a navigation menu with links for Registration, Test Prep, Scores, College Planning, Financial Aid, Career Planning, Blog, and FAQ. A search bar is also present. The main content area is titled "How do I Sign up for the ACT?" and includes a section for "Online registration" which states it is the fastest method. A reminder notes that users younger than 13 cannot pay by credit card. A list of bullet points provides instructions for various testing scenarios, such as national/international test centers, accommodations, and homebound testing. A sidebar on the left contains a "Registration" menu with links to "Register to Test", "Useful Information" (including Test Dates, ACT Fees, and Services for Students with Disabilities), "Test Centers" (U.S. and Canada, International), and "Codes" (High School, College and Scholarship). The footer contains copyright information for 2012 by ACT, Inc. and links to ACT Corporate Home, Contact Us, and Site Index.
