

Registering for the SAT

Step 1 - You can search "register for SAT", type the address below in your browser or click the SAT website link beside the header on the KHCS webpage you used to get to this instruction page. Once you have accessed the SAT site, click the "Register" link on the second line of the grey Homepage header on the left. Registration online will probably require a credit card.

In registering, be sure to indicate that you want your scores sent to Killian Hill Christian School - the school code for this is 111829.
