A Message from Dr. A

You may remember that March was Kindness Month at KHCS, and we emphasized to the Killian Hill family the importance of treating each other as we would like to be treated! As part of our curricular emphasis, Mr. Dan Totten gave his English students the challenge of writing essays on the topic of bullying. While there were many well-crafted pieces, I would like to share with you the three essays that received the most votes by their peers. We've attached to this week's Paw Prints the following students' essays about bullying/kindness: Chris Yang (9th), Amara Smith (10th), and Nicholas Campbell (11th). Congratulations to all our students for their thoughtful work in March.

If you have tried to visit Mrs. Rabelo, Mrs. Madden, or Mr. Harrison in the Business Office during the past month, you might have been surprised to see a "Closed for Construction" sign posted on the door! Our wonderful Business Office personnel have graciously taken up a temporary office in a classroom at the end of the kindergarten hallway while we work on their new location for next school year. This move was necessary to allow for the initial construction work over Spring Break on our new K4 classroom! Beginning in August, the Business, Secondary School, and Admissions Offices will all be conveniently located in Building D.

Congratulations to our winner of the 2017 NCAA Bracket Challenge. The winning entry was submitted by Rob with his *My Bold Bracket*. Rob narrowly edged out Mr. Sherman for the best bracket selection and has won a \$50 gift card to Chick-Fil-A! Come by the Secondary School Office to pick up your gift card!

And finally, congratulations to our varsity tennis team and Coach Brown for a great season. We have two tennis prodigies who advanced to the GICAA State Singles Championship this week—Chris Yang and Stevie Schade! In the end, Chris Yang brought home Killian Hill's first state championship in tennis! Great job to both boys and well done, team! (And in case you're wondering, yes, it is the same Chris Yang who wrote the winning essay for Kindness Month! Now that's what we like to call a balanced student!)

All His,
 Dr. A
