PARENT

After reading each statement, please initial the space beside the statement to indicate your agreement.

_____ We give permission for our son/daughter to participate in (*circle the appropriate sport*) **golf, volleyball, basketball, soccer, baseball, tennis, cheerleading, and fine arts.** Participation in athletic events may increase a child's potential for injury. We understand that we are hereby releasing the school of responsibility for injury to your child in relation to transportation, practice, and participation for the above activity.

_____ In the event that my child, _____, should need medical attention and I cannot be contacted, I grant the official representative of Killian Hill Christian School permission to act on my behalf in order to secure medical treatment for my child.

_____ We have insurance coverage for our child that covers sports injuries.

· Insurance Company _____

· Policy # _____

_____ We understand that the school is not responsible for covering or providing insurance in order for our child to participate. We do have adequate hospitalization coverage for our child.

_____ We agree to support the coach/sponsor and school in enforcement of discipline and practice regulations.

_____ We understand a uniform will be issued to each player. It is the student's responsibility to take care of the uniform. If the uniform is damaged due to neglect, we understand we will be billed for the replacement cost.

_____ We understand an athletic physical is needed before the **first athletic practice.**

4. In accordance with Georgia law, the following must occur if an individual exhibits signs, symptoms, or behaviors of a concussion:
 - a. The individual shall be immediately removed from practice or competition.
 - b. The individual shall not return to practice or competition the same day that the concussion or suspected concussion occurred.
 - c. The individual suspected of having a concussion shall be seen by an appropriate health care professional before the individual can return to athletic participation.
 - d. If no concussion has occurred, the individual can return immediately to practice or competition.
 - e. If a concussion has occurred, the individual cannot return to participation in practice or competition until medically cleared by an appropriate health care professional.
 - f. An individual should never return to participation if the individual still has any symptoms of a concussion.
 - g. After clearance has been issued, the individual's actual return to participation in practice and competition should follow a gradual procedure suggested by the National Federation of High Schools and directed by the appropriate health care provider clearing the athlete for activity.
 - h. An appropriate health care profession may include a licensed doctor or another licensed individual under the supervision of a licensed doctor such as a nurse practitioner, physician assistant, or certified athletic trainer who has received training in concussion evaluation and management.
5. The following information can be found online and is recommended for parents and students to read concerning concussions:
 - a. 2013 NFHS Suggested Guidelines for Management of Concussions in Sports
 - b. A Parent's Guide to Concussions in Sports (NFHS)
6. Parent and student should sign the form below. The school and parent should maintain a copy of this form.
