

# KILLIAN HILL

*Baptist Church*

Killian Hill Baptist Church has a legacy of biblical intentionality. We are unapologetically committed to the Scriptures as the inerrant and sufficient Word of God and the sole basis of authority for Christ's church. We affirm the position of historic fundamentalism (vs. theological liberalism and ecumenical evangelicalism). We are deeply committed to the centrality of the gospel as the only hope both of the lost and of the saved. We exist to glorify God through exaltation (our upward focus), evangelism (our outward focus), and edification (our inward focus). By God's grace, we are a growing, healthy, balanced ministry.

Killian Hill Christian School is a vital part of the ministry of Killian Hill Baptist Church. We are seeking a Head of School to provide exceptional leadership for our school. We need a leader who delights in the gospel and has a life-shaping burden for evangelism and discipleship. We also need an educator who can lead our faculty and staff in integrating the biblical principles of our church and the academic principles of our school to provide an educational experience that meets the needs of parents and fully equips our students for a life of productive service to Christ. Our school has an exceptional legacy of almost fifty years. We have thrived both spiritually and academically, and we are determined to continue our Christ-honoring, disciple-making ministry into the future.

The Head of School profile presented on the following pages is by no means exhaustive. However, it presents ideal qualifications for our next Head of School. Similarly, the KHCS Profile attempts to introduce potential applicants to our school, its unique opportunities, and its challenges.

We are praying for God to make clear to us His choice for this vital role (Acts 20:28). Just as we review resumes to vet potential candidates, we encourage you to use these profiles to determine if KHBC and KHCS are a fit for you and your family.

Confident in God's gracious direction,

*Chris Anderson*  
*Senior Pastor, Killian Hill Baptist Church*

*Adam Krawiec*  
*Chairman of the Board, Killian Hill Christian School*
