

2020-21 Private Instrumental Lesson Registration Form

Dear Parents:

We are now accepting re-enrollment and new enrollment applications for instrumental lessons for the 2020-21 school year. If you would like to register your child, please read the information below, download this form to your computer, fill it out, save it, and email it to sjohns@khcs.org.

The program consists of 30 private lessons either 30 minutes or 45 minutes in length. Beginning students should register for 30-minute lessons. The 45-minute lesson option is subject to teacher's approval. Lessons, which are scheduled during the school day in non-core class times consist of instruction in theory and performance skills. If lessons are missed as the result of a school schedule conflict or the teacher's absence, a strong attempt will be made to provide make-up lessons at the end of the school year.

It is understood that if you register for private instrumental lessons that you are signing up for the entire school year. Withdrawing from private instrumental lessons before the end of the school year will incur a \$250 withdrawal fee. Because we are offering private instrumental lessons for both our on-campus students and our online students, you can be assured of your lesson times even if your child is not on campus for classes. Students taking lessons on campus will wear a mask during the lesson when possible and the teacher will also.

A \$50 non-refundable registration fee is required to enroll your student in the program. Please register early. **The \$50 registration fee will increase to \$75 after August 6.** The cost of lesson books and music book bag are included in the lesson fee.
