5. Learn about the life of Jesus
6. Hear and begin to understand Salvation facts
7. Solve disagreements God's way
8. Share and take turns
9. Obey parents, teacher- because it is a principle

Meet Our Teachers

JEANNINE CHRISTIAN was born in Buffalo, New York. She holds a Bachelor of Science degree in education and has taught for over 20 years. Mrs. Christian loves to plan new lessons implementing many hands on and creative activities to help her young students enjoy learning. She and her husband, Gary, have two children who both graduated from KHCS. In her free time, she enjoys crafting, sewing, and cake decorating.

BETSAY VAN CLEEF was born in the Philippines and has lived in Massachusetts for 27 years before moving to Georgia in July, 2020. She has a masters degree in teaching reading, and an M.A.T. in Early Childhood Education from the Philippine Normal University and Gordon College in Weham, MA, respectively. This is her 34th year of teaching and her first at KHCS. She has been married to Rob for 24 years and they have a 23 year old son named Aaron. Mrs. Van Cleef enjoys going on day trips, trying new restaurants, and talking long walks. She loves teaching and reading children's books!

K5 Goals by Subject

BIBLE

1. Students will learn basic biblical truths and stories of the Old & New Testaments.
2. Students are taught from creation through the life of Christ, and some of Paul's journeys.
3. Students will be able to recite a Bible verse for each letter of the alphabet, plus Psalms 100, Psalms 23, John 3:16, and the Lord's Prayer.

READING

1. Students are able to read words phonetically and by sight.
2. Students will be able to comprehend what is read.
3. Most students will read at a first grade reading level by the end of kindergarten.

PHONICS

1. Students will mark vowels long, short or silent.
2. Special sounds will be circled.
3. A letter or blend will be added to complete a word.
4. A word will be added to complete a sentence.
5. Students will match a word or sentence to its picture.
6. Rhyming words will be identified.

MATH

1. Students will continue to expand a pattern.
2. Students will be able to count and write to 100 by 1's, 5's, and 10's. Counting by 2's will be introduced.
3. Students will be able to write the number that comes before and after a given number to 100.
4. Students will be able to tell time on the hour. Half-hour and fifteen after will be introduced.
5. Students will be able to identify and know the value amount of a penny, nickel, dime and quarter. They will be able to count pennies, nickels and dimes to 100. Counting by nickels & pennies, dimes & pennies and a quarter & pennies will be introduced.
6. Students will be able to identify simple 2D & 3D shapes.
7. Students will be able to add or subtract two one digit numbers that will equal 10 or less.
8. Students will be able to use a ruler to measure in inches or centimeters.

WRITING

1. Students will be able to print upper & lower case letters with correct formation.
2. Students will be able to write two to three sentences telling about their picture. Students spell words phonetically when writing their own story. Not all words are expected to be spelled correctly.

SPELLING

1. Students will be able to spell simple three and four letter phonetic words.
2. Students will be able to spell simple sight words that are used frequently when writing.

SCIENCE & SOCIAL STUDIES

1. Various topics and science experiments will be introduced.

PHYSICAL EDUCATION

1. Students will have 30 minutes of recess in the morning and 30 minutes of recess in the afternoon.
2. Students will skip, bounce & catch a ball, etc.

ART

1. Various mediums will be used in the classroom and Art class with Ms. Myers.

MUSIC

1. Students will have music 30 minutes a week.

LIBRARY

1. Students will go to the library once a week.
