Dear KHCS Parents,

Our theme for this year at KHCS has been gratitude, and we are so grateful to the Lord for his protection and guidance in another unusual school year! It is our privilege to assist you and your children as they learn and develop, and it has been a joy to see them grow in leadership, academic scholarship, and discipleship. Your strong support has been such a blessing and encouragement to our teachers and administration. Our partnership with each other has been enhanced by our increased communication concerning academics and health, and most importantly as we pray for each other.

Currently, we are preparing for the next school year which we pray will be a healthy and less complicated school year! Whether this is your first year or twenty-first year as a KHCS parent, you play a vital role in our mission, and we want to continue to grow our relationship with you. This letter is to remind you of how reenrollment works for the upcoming school year.

### **Continuous Enrollment**

Automatic reenrollment provides our school families with streamlined service and allows us to plan class sizes and staffing as efficiently as possible. For your convenience, every current KHCS student in grades K4-11 will automatically have a seat reserved for them for the following school year. There is no need to fill out reenrollment paperwork or additional forms. (Students on disciplinary or academic probation will be allowed to reenroll after the end of the school year only upon administrative approval.) A non-refundable Commitment Fee of \$350 per child with a maximum of \$500 per family will be drafted on **Thursday, March 31** from your current FACTS tuition account.

If you do *not* intend to return to KHCS for the 22-23 school year, please contact the school office for an Opt-Out form. Fill out the Opt-Out form and return it to the school office by **Tuesday, March 1** to avoid re-enrollment fees.
