## Accessing ParentsWeb

### ACCESSING PARENTSWEB

FACTS Student Information System (formerly RenWeb), gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success - all via the Internet!

FACTS Student Information System (SIS) ParentsWeb is a private and secure parents' portal that will allow parents to view academic information specific to their child, while protecting their child's information from others. You may view your child's grades, homework, attendance, and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.
