Educating with Purpose

GRADUATING LEADERS

KILLIAN HILL CHRISTIAN SCHOOL

Our vision is that KHCS students will become Leaders as demonstrated by:

- Consistent modeling of Christ-like character and obedience in teacher and peer interaction and in team and personal competition.
- Leadership in student activities including academics, fine arts, and athletics.
- Empathy toward those in need, in the school, in the community, and in the world.

AT KILLIAN HILL CHRISTIAN SCHOOL

We start with comprehensive training in biblical and academic foundational truths for life and then build a broad range of opportunities for our students to practice, observe, experience, and be mentored in their leadership. By the time they graduate, KHCS students will have had opportunities to lead student small groups and clubs, compete in fine arts, sports, debate, and quiz bowl, plan and organize class events, and lead their entire school in Cougar spirit events! KHCS has a long history of producing leaders in the civic, athletic, fine arts, academic, business, and ministry worlds.

Our vision is that KHCS students will become Disciples as demonstrated by:

- A personal profession of faith in and a relationship with Jesus Christ.
- An understanding and commitment to a biblical worldview, being able to discern truth and error.
- A demonstration of biblical love and respect for all including authorities, peers, and competitors.
- An appreciation for both the unity and diversity of all people as created in God's image.
- Enthusiastic service to school, family, and community.

The perspective that Jesus Christ gives in Matthew 16:26 is the foundation of all we do at KHCS – “For what will it profit a man if he gains the whole world and forfeits his soul? Or what shall a man give in return for his soul?” We believe the greatest gift we can give a student at KHCS is the opportunity to know and love God. The condition of one's soul is behind every interaction with students, colors our approach to classroom discipline, drives our emphasis on character development, and motivates our love for each child in our care.

In elementary school, discipleship begins with learning about God and His ways, about the purpose for living, and about how to live with others as God intended. We teach that the Bible is God's revealed Word and is our authority for life and living.

In secondary school, students are given more opportunities to grow, share and lead others through small groups, Bible studies, and one-on-one relationships with faculty. Life on the Hill is so much more than superior academics, great extracurriculars, and a family environment; at the core, it is about knowing and loving Jesus Christ!

Our vision is that KHCS students will become Scholars as demonstrated by:

- Personal intellectual curiosity, a balanced and teachable spirit, and lifelong learning.
- Proficiency in communication using written, oral, digital, and visual means.
- Problem solving using discovery and investigation, critical thinking, and synthesis of information.
- Continual growth in academic competencies as measured by regular standardized assessments.
- Appropriate and balanced mental, spiritual, physical, and social growth.

Dear Parents,

Welcome to the Hill! I am thrilled that you are interested in investigating what we have to offer educationally to students in our community, and we welcome the opportunity to answer your questions and share our vision for student growth with you.

Killian Hill Christian School, one of Gwinnett County's first Christian schools, has been serving our community as an outreach of Killian Hill Baptist Church since 1972. From our formative beginnings as a preschool with a few buildings to our current fully accredited K-12 preparatory school serving hundreds of students on our beautiful twenty-seven acres campus, our mission has remained the same -- to assist parents in their God-given responsibility of educating their young people. I hope that you will quickly feel a part of the Killian Hill family as you experience the learning, life, and love of the Killian Hill experience!

Our unique education begins with the solid foundation of a biblical worldview on which the critical framework of academic excellence is built. Balanced fine arts and athletic programs complement our focus on profitable self-discipline and impeccable character. All of this "construction" is done under the diligent care of our quality, committed, and certified faculty and staff to build lives that will stand the test of both time and eternity.

The benefits of a KHCS education are proven annually as our graduates launch into higher education with purpose and extraordinary success. This information packet will provide a quick sketch of what makes KHCS a great school, but opportunities such as our Open House visit with a guided campus tour as well as a thorough perusal of our website will provide even more helpful information. We hope that you will clearly see that *Training Scholars, Making Disciples, and Graduating Leaders* is more than a motto; it is something we strive to accomplish every day for God's glory. I hope that Killian Hill will be part of your educational experience not only this year, but for years to come, and I look forward to meeting you in person.

Stay encouraged,

Dr. Mark Cronemeyer
Head of School

TERMS OF PAYMENT

Killian Hill Christian School makes use of FACTS Tuition Management Company to collect tuition and incidental fees by means of either automatic bank drafts or credit card payments. FACTS charges an additional convenience fee when using the credit card payment option. All families are required to maintain an active FACTS account for the entire school year.

There will be a \$30 missed payment fee on the auto-draft date, a second \$30 fee will be added to your account if payment is not received with 2 weeks of original auto-draft date. If payment is not received within 30 days of original auto-draft date, the account is considered delinquent and student(s) will be prohibited from attending classes until the balance is satisfied. If any portion of tuition or fees is not current, then report cards will not be accessible nor will transfer records be released.

Tuition payments can be made in full or in monthly installments. Monthly installments are made payable on the 5th or the 20th of each month.

Any applicable incidental fees will be collected from the same financial account used for tuition payments (bank account or credit card on file).

It is assumed that a family is enrolling for the entire year; therefore, budgets are set accordingly. If a student withdraws between July 1 and the end of the school year, a 30-day advanced written notice is required and the withdrawal fee must be paid in full before school records are released. The withdrawal fee is the equivalent of one month's tuition plus an additional \$1,000 per student.
