

Dear KHCS Parents,

Our theme for this school year is “Be Prepared,” and we are so grateful to the Lord for all He has taught us as well as His provision and guidance! It is our privilege to partner with you for the development and growth of your child. What a joy it is to see our students grow in academic scholarship, discipleship, and leadership. Your strong support and prayers are a blessing and encouragement to our teachers and administration.

We are very excited about the 2023-2024 school year and sincerely pray you will continue to be a part of the KHCS family. Please review the following information concerning continuous enrollment, opt-out, and deadlines before making your decision on the 2023-2024 school year.

### Continuous Enrollment

Continuous enrollment provides every current KHCS student in grades K4-11 a reserved seat for the following school year. **For your convenience, no response is needed**, but please note the non-refundable enrollment fee of \$350 per student with a maximum of \$500 per family will be drafted on **Friday, April 10** from your current FACTS tuition account.

Additionally, we are continuing with the 10-month payment plan and offering a referral discount by request in the business office.

## Opt-Out Option

The opt-out option is for any student who **does not** intend to return to KHCS for the 2023-2024 school year. In order to finalize the opt-out process and avoid the enrollment fee you must communicate that to us by [clicking here](#) to fill out the Opt-Out Form, and submit it by **March 24, 2023**.

Thank you for being a part of the Killian Hill Christian School family. Before we know it our senior class will be walking across the stage to accept their diplomas and we will be ready to not only enjoy the summer but also eager to return to school in August. For now, take time to review the attached 2023-2024 school calendar. Together, we will see how God works in and through KHCS next year.

Stay encouraged,
