MEET OUR DIRECTOR

Killian Hill Christian School is grateful for the dedicated service of Mrs. Lori Anderson in her role as the Director of the K4-K5 program. A graduate of Tennessee Temple University, Mrs. Anderson earned a bachelor's degree in elementary education. After four years of teaching experience, she pursued a master's degree in special education. With an extensive background in education, Mrs. Anderson has taught students across various grade levels, including 5th, 3rd, and 1st grades.

She is married to Pastor Chris Anderson, whom she met during her graduate studies. Known for her gentle and gracious demeanor, as well as her joyful and winsome personality, Mrs. Anderson embodies the values we hold dear at Killian Hill Christian School. Furthermore, her roles as a mother to four wonderful daughters are a testament to the blessings bestowed upon her and her family.

When Mrs. Anderson is not teaching, she loves to spend time with her family. But if she could do anything for fun, it would be simply taking a walk on the beach, reading a book, coloring with her girls, or baking cupcakes.

Mrs. Anderson heartfully welcomes the opportunity to teach your child. Her goal is to provide a loving environment for your child in which he or she can obtain a solid academic foundation with a fun, engaging, and hands-on learning approach.
